**A place dedicated to worship, faith formation  
and development, education,  
and community support and outreach**

This year we will be celebrating *Caribbean Nights Gala*, our fundraiser benefitting the Edwards Interfaith Chapel and Community Center. We have a warm and inviting center that welcomes and enjoys diversity of religions and harmony of cultures within our doors.

Today in the Vail Valley we serve more than thirty non-profit organizations. Activities vary from religious services to fundraisers to annual meetings, from classes, cultural events and therapy sessions to community dinners, celebrations of life and funeral services.

Stone Creek Charter School is currently operating kindergarten through 8th grade elementary school during the week at our facility.
